

1.1.1 The institution ensure effective curriculum delivery through a well planned and documented process

At the commencement of the Academic year the Academic calendar is prepared by the Committee organized for the said purpose. At the beginning of the Academic year the teachers prepare the teaching plan of their respective subjects. The teaching plan is verified by the Head of the Department. There is sufficient flexibility in the teaching plan, so as to adopt the changes if any. The evaluation of the students is carried out periodically as per the norms of the University.

The college ensures effective curriculum delivery through its consistent efforts; the college undertakes to prepare the Academic calendar at the commencement of the Academic year. The teachers prepare their individual Academic and Teaching plan which is included in the Academic calendar. The college has little scope to include their own chapters in the curriculum as the curriculum described by SPPU is adopted by the college as it is mandatory. The college teachers follow the teaching plan in the schedule of their working hours. The syllabus is already divided in the number of hours in which each teacher is supposed to engage. The periodic tutorial / class test / examination are conducted in order to assess the understanding of the students. The examination results are reviewed and the weaker students are taught again and also sometime consulted for their benefits. Teachers take best of their efforts to ensure quality and to enhance academic growth. The college teachers use PPT for elaborating principle concepts in the technique and discussion. Compliance of the curriculum is verified by the Head of the Department and the review is taken. The compliance of the curriculum is communicated to the Principal through the Head of the Department and at the end of term or year the performance of the students is verified by examination and their feedback. Practical, theoretical & oral examinations are conducted to judge the understanding of the students. The University has changed the pattern of examination it is now both objective as well as subjective. The examination pattern is strictly followed by the college. The transparency in examination is followed by the college. The curriculum compliance is integral to responsibilities of the staff which is completely achieved by the college.

Action taken report is prepared by concerned committees and reviewed in college meetings for timely action taken and for further development of the college.
