

S.B. B. alias Appasaheb Jedhe Arts, Commerce and Science College, Pune-2.

INCUBATION CENTER

Institution has developed an incubation center to transform the students with knowledge of industry and research institute's requirement as well as entrepreneur skills.

We have a knowledge resource center in our college, which may be treated as incubation center in the college. We have designed some courses to enhance employability in our students. Being centrally located, our college has restrictions of rooms & space, despite the limitation we have developed the facilitation center for our students who mostly belong to economically weaker classes. College has separate seminar hall to conduct the lecture of carrier guidance as well as Job opportunities in various Industries. This has a capacity of 150 students.

Our mission

1. Encourage & facilitate entrepreneurial skills & ideas across all disciplines & establish collaborations with industries & entrepreneur to guide our students.
2. To motivate students to develop an interest in research.
3. To encourage entrepreneurship & innovation.
4. To link with research institutes & industries.

Our ideas

1. Our center is aimed at transforming the students with vibrant ideas into young entrepreneurs
2. We support the ideas of students & help them to nourish those ideas into effective actions plans.
3. To encourage students to have interaction with successful personalities from different fields.

Our goals

Our center looks towards to the participation of students who have vibrant ideas, its alumni & also the local entrepreneurs in & around Pune. This will act as a platform for the student to connect with mentors & opportunities through conducting workshops, seminar & interactive sessions.

1. Connect with successful students turned entrepreneurs.
2. Get opportunities to work on live projects with the help of research institution / industry.

Services offered by Centre

1. Guidance from mentors from various fields regarding career development.
2. Connect with successful students turned entrepreneurs.
3. Frequently interactions from industry experts.
4. Infrastructure with discussion room & seminar hall for PPT presentation.

5. Our Centre has been active in conducting skill development courses and imparting knowledge through organizing Audio- Visual lectures on TED talks followed by discussions about it. Memorandum of understanding (MOUS) with other organizations facilitate the students to gain more knowledge about employability.
