REMEDIAL LECTURE- TEACHING REPORT

In our Commerce department there were above six hundred student in F.Y.BCOM during the year 2016-2017. We had started our lectures form 20TH June 2016. Most of our facilities related to F.Y.BCOM conducted term exam related to their subject for checking their understanding knowledge and performance related to the specific subject.

The output of the term end exam was observed from most of our students were very poor in business mathematics and statistics. Because of that we have arranged the Remedial Lectures for improving the basic concepts and formulae, practical problems regarding Mathematics and Statistics along with solving old university question papers.

We have conducted these lectures after 11.00 am after our schedule time-table. The duration was one week. The lectures were conducted by Mrs. C.V. Deokar & Miss Jadhav M.M. They had conducted lectures related to subject of Business Mathematics & Statistics from 04th January 2017 to 09st January 2017.

The duration of the said lectures was for two hours after the schedule lectures here conducted. This program was attended by 50 students

REMEDIAL LECTURE- TEACHING REPORT

In our Commerce department there were above six hundred student in F.Y.BCOM during the year 2015-2016. We had started our lectures form 22TH June 2015. Most of our facilities related to F.Y.BCOM conducted term exam related to their subject for checking their understanding knowledge and performance related to the specific subject.

The output of the term end exam was observed from most of our students were very poor in business mathematics and statistics. Because of that we have arranged the Remedial Lectures for improving the basic concepts and formulae, practical problems regarding Mathematics and Statistics along with solving old university question papers.

We have conducted these lectures after 11.00 am after our schedule time-table. The duration was one week. The lectures were conducted by Mrs. C.V. Deokar & Miss Jadhav M.M. They had conducted lectures related to subject of Business Mathematics & Statistics from 05th January 2016 to 10st January 2016.

The duration of the said lectures was for two hours after the schedule lectures here conducted. This program was attended by 26 students

REMEDIAL LECTURE- TEACHING REPORT

In our Commerce department there were above six hundred student in F.Y.BCOM during the year 2014-2015. We had started our lectures form 17TH June 2014. Most of our facilities related to F.Y.BCOM conducted term exam related to their subject for checking their understanding knowledge and performance related to the specific subject.

The output of the term end exam was observed from most of our students were very poor in business mathematics and statistics. Because of that we have arranged the Remedial Lectures for improving the basic concepts and formulae, practical problems regarding Mathematics and Statistics along with solving old university question papers.

We have conducted these lectures after 11.00 am after our schedule time-table. The duration was one week. The lectures were conducted by Mrs. C.V. Deokar. She had conducted lectures related to subject of Business Mathematics & Statistics from 07th January 2015 to 12st January 2015.

The duration of the said lectures was for two hours after the schedule lectures here conducted. This program was attended by 26 students.

REMEDIAL LECTURE- TEACHING REPORT

In our Commerce department there were above six hundred student in F.Y.BCOM during the year 2013-2014. We had started our lectures form 20TH June 2013. Most of our facilities related to F.Y.BCOM conducted term exam related to their subject for checking their understanding knowledge and performance related to the specific subject.

The output of the term end exam was observed from most of our students were very poor in business mathematics and statistics. Because of that we have arranged the Remedial Lectures for improving the basic concepts and formulae, practical problems regarding Mathematics and Statistics along with solving old university question papers.

We have conducted these lectures after 11.00 am after our schedule time-table. The duration was one week. The lectures were conducted by Mrs. C.V. Deokar. She had conducted lectures related to subject of Business Mathematics & Statistics from 13th January 2014 to 19st January 2014.

The duration of the said lectures was for two hours after the schedule lectures here conducted. This program was attended by 15 students.
