**Declaration**

This correspondence serves to elucidate that our esteemed institution has diligently submitted the Self-Study Report (SSR) for the 3rd Cycle, accompanied by the requisite documentary evidence, as per the available records maintained by the institution. Following the submission of the SSR, the NAAC office undertook the meticulous verification and validation of the data (DDV) and issued instructions for the documents submitted as evidence to be translated into English.

Upon careful consideration of the clarification requested by the Data Verification and Validation (DVV) team, and with due deference to the directives of NAAC, it is imperative to highlight that several official documents, including Government Resolutions (GR), University statutes, notifications, and circulars, are issued in Marathi (the regional/native language). Given the paramount importance of our regional language, Marathi, and the predominant focus on traditional courses within our institution, all official documentation is naturally prepared in Marathi. Consequently, from the inception of activities to the compilation of reports, our internal documentation is conducted exclusively in Marathi.

Therefore, we kindly request that all documents be considered valid evidence for the activities undertaken by our institution, acknowledging the linguistic context and administrative practices inherent to our operations.
