From the Principal's Desk

Dear Students and Parents,

"Education is not preparation for life; education is life itself."

Welcome to our college—a vibrant centre of higher learning committed to academic excellence, holistic development, and social responsibility. Guided by the vision of empowering students through quality education, we strive to nurture competent professionals, responsible citizens, and enlightened human beings capable of contributing meaningfully to society.

The College run by Shri Shivaji Maratha Society, affiliated to Savitribai Phule Pune University offers a wide range of Undergraduate and Postgraduate programmes in the Arts, Science, and Commerce streams, Professional degree courses in Computer Science and IT designed to meet contemporary academic and professional needs. With a learner-centric approach, experienced faculty, and a supportive academic environment, we encourage students to pursue knowledge, innovation, and lifelong learning.

The institution takes pride in its Postgraduate Departments in Commerce and Microbiology, Computer Science which provide advanced learning opportunities and promote research-oriented thinking. Further strengthening our commitment to scholarly excellence, the College houses a recognized Research Centre in Commerce, offering Ph.D. programmes and fostering a culture of research, critical inquiry, and academic contribution.

Education at our College extends beyond the classroom. Through active National Service Scheme (NSS) and National Cadet Corps (NCC) units, students are encouraged to develop leadership skills, discipline, social commitment, and a spirit of national service. A wide range of cultural, literary, and co-curricular activities provides opportunities for students to discover and nurture their talents, creativity, and confidence.

Recognizing the importance of career readiness, the College has established a dynamic Placement and Career Guidance Centre that facilitates training, skill development, internships, industry interaction, and employment opportunities. In addition, free counselling and mentoring services are available on campus to support students in their academic, personal, emotional, and career-related concerns, ensuring their overall well-being and success.

With well-equipped infrastructure, a conducive learning environment, and a strong commitment to inclusive and value-based education, the College endeavours to create an ecosystem where every student can realize their potential and achieve excellence.

At Appasaheb Jedhe College we strive to empower students to think critically, act ethically and develop intellectually. Our College continues to broaden its academic horizons through programmes such as M.C.S., M.A. English, M.A. Economics, B.Sc. Information Technology, and the Diploma in Geography (GIS and Remote Sensing), offering students specialized and comprehensive learning opportunities that enhance their academic and career prospects.

We invite aspiring learners to become a part of our academic community and embark on a transformative journey of knowledge, growth, service, and success.

Warm regards,
Prof. Dr. Deepali R. Patil
Principal

Brief History of Our Society

Shri Shivaji Maratha Society has been working for providing educational opportunities and facilities to the common masses since 1918. It was officially registered in 1921 under the Societies Registration Act, 1860 and also under Bombay Public Trust Act, 1950 under the able guidance of His Highness Chhatrapati Shrimant Late Shahu Maharaj of Kolhapur. The Society is established in Pune in the memory of the Great Maratha Warrior King Chhatrapati Shivaji Maharaj who spent his childhood in and around Pune. Shri Shivaji Maratha Society has made rapid strides in education to keep pace with changing policies of Globalization and Privatization. The educational institutes under the umbrella of Shri Shivaji Maratha Society continuously strive to provide infrastructural facilities to the students while imparting high educational standards to have an edge in the competitive world market. Today, the Society runs around 22 schools, colleges, and hostels under its umbrella, where more than 20,000 students are pursuing their education right from Pre - Primary to Post -Graduate level.
